- EVODEK® is a globally trusted brand in the innovation of wood plastic composites, striving to make you enjoy the indoor and outdoor living space.
- EVODEK® is committed to leading the WPC industry with patented extrusion technology, engineering exquisite wood plastic composite product and service, and making EVODEK® WPC an essential part of life for all.
- EVODEK® is committed to protecting the environment by manufacturing wood plastic composite made from recycled wood and plastic.
- Not only a material supplier, EVODEK® designs and produce wood plastic composite, tailoring to the special needs of the client, or meeting the harsh environment, with a well-equipped R&D facility and a professional design team.
- EVODEK® is looking for the dealers and partners from countries or regions, and is committed to the success of our partners first, and keep improving upon our customer support.
